

I think as long as we continue to foster the proper tax, regulatory, and educational policies in this country, and as long as the invigorating breeze of freedom continues to blow into new markets and places in the world, technology will improve construction, communications, education, life sciences, medical sciences, and transportation.

I very much look forward to the leadership of the President and Senator WARNER in the Senate to allow the technological revolution to continue to improve our lives and those of our fellow human beings here on earth.

Mr. WARNER. I thank my distinguished colleague. How much I look forward to working with him here in the Senate.

ADJOURNMENT UNTIL 9:30 A.M. TOMORROW

Mr. WARNER. Mr. President, I ask unanimous consent that the Senate adjourn under the previous order.

There being no objection, the Senate, at 9:06 p.m., adjourned until Wednesday, March 7, at 9:30 a.m.
